Welcome

Gudgeon Art Trail

This is the very first year that we have organised this event and the hope is that it can continue and evolve over the coming years.

When the bi-annual Cloth Road Arts Trail sadly stopped, we felt there was sufficient interest from local artists and makers to create a smaller, pared down version of the trail and so the Gudgeon Art Trail was born.

This online guide will hopefully give you all the information you need about this years participants and where to find them. However, if you would prefer to have a hard copy of the map and exhibitor list, it can be downloaded and printed from [here](#), or collected from SerenArts Gallery, Tithebarn Workshops, BA15 1LF. There is also a lot more information on our website:

www.gudgeonarttrail.com

We hope you enjoy this inaugural event and visiting all the talented artists and makers this beautiful town has to offer.

On the following pages you will find a full list of the exhibitors in this years trail. We have colour coded the different venues to visit as follows:

Map of Venues and Exhibitors

The numbers on this map show the venues around the town and the list of names on the two previous pages give the individual exhibitors...

Artist Information

The Gudgeon Art Trail gives Bradford's artists an opportunity to open their studios and discuss their artform with the general public. At many of the venues you will also have the opportunity to purchase items as well as see demonstrations and workshops.

The following pages are a comprehensive list of all the participating artists, listed by venue.

Each listing will give you the artist's name, the media they work in and a brief description of their work. We have also supplied links to their website and social media (where applicable).

You can also find all this information on our website at www.gudgeonarttrail.com
